### **Helpful Tips**

Guests must be able to negotiate both stairs and a ladder to get on and off the boat.

Don't forget to bring your own Towel, Hat, Sunglasses, Sunscreen lotion (please NO aerosol spray cans) and Camera.

Being a sailboat we prefer to put the sails up and let the wind be our guide! Please note that someday's Mother Nature and Father Time do not cooperate. So we have to power up the twin Yamaha engines to get us where we are going. ☺
